

"All I Have To Give"

Written by David Ashley Trent

You are the one who brought the world to life
You are the one who taught the stars to shine
You are the author of the sun and rain
You are the one who gives and the one who takes away
It seems to me like you've got everything You need
But there's just a few more things you're asking of me

So I'll give you my heart
I'll give you my soul
I'll give you the strength of my hands
And my mind control
And I will die to myself each day I live
I know it's not much
But that's all I have to give

I am the one who walked away from you
I am the one who broke your heart into
But I am the one who got a second chance
Because you are the one who offered me divine romance
Because I owed a debt that was impossible to pay
But you gave your life up as a ransom for me

(Repeat Chorus)

I am a poor man and you are a king
I am an old rag and you are a diamond ring
I am a wasteland but you are my everything
And the only thing I've got that I could lay at your feet

Is all of my heart
All of my soul
All of the strength of my hands
And my mind control
And I will die to myself each day I live
I know it's not much
Ohhhh all of my heart
And all of my soul
All of the strength of my hands
And my mind control
And I will die to myself each day I live
I know its not much
But that's all I have to give
That's all I have to give
All I have to give, yeah
Have to give
