

"Fighting To Surrender"

Written by David Ashley Trent

Take a look at my life and it's easy to see
There's a war raging inside of me
Between the man that I was and the one I'm trying to be
You say it's only natural to feel the way I do
So I'll offer up myself to you

I'll just keep fighting to surrender my heart
I won't let pride I'm feeling tear me apart
I know it's time for me to take up my cross
I'll just keep fighting to surrender my heart

The trouble comes when I try to take the wheel on my own
And I end up on a dead end road
But like the prodigal son I just want to go home
You say it's only natural to feel the way I do
So I'll offer up myself to you

I'll just keep fighting to surrender my heart
I won't let pride I'm feeling tear me apart
I know it's time for me to take up my cross
I'll just keep fighting to surrender my heart

Take a look at my life and it's easy to see
There's a war raging inside of me

I'll just keep fighting to surrender my heart
I won't let pride I'm feeling tear me apart
I know it's time, I know it's time
To just keep fighting to surrender my heart
