

"I'll Find You"

Written by David Ashley Trent

Another typical situation where I thought I had it under control  
But now I'm dealing with the realization that I'm face down and ready to fold  
When every second chance is burned  
And there's nowhere to turn  
Yeah, when I feel I'm at the end and I don't know what to do  
That's where I'll find you  
And when I'm standing on the edge with nothing left to lose  
That's where I'll find you  
I'll find you  
And when the odds are back in my favor and my confidence starts to grow  
I throw it all out on the table and take a risk while I'm on a roll  
But there's one more card to fall  
And I might lose it all  
Yeah, when I feel I'm at the end and I don't know what to do  
That's where I'll find you  
And when I'm standing on the edge with nothing left to lose  
That's where I'll find you  
I'll find that you will not leave me standing alone  
You promise to never let go  
Because when I feel I'm at the end and I don't know what to do  
That's where I'll find you  
And when I'm standing on the edge with nothing left to lose  
That's where I'll find you  
Yeah, when I feel I'm at the end and I don't know what to do  
That's where I'll find you  
And when I'm standing on the edge with nothing left to lose  
That's where I'll find you  
I'll find you
